The conference organizers provide sponsoring companies to present corporate workshops in addition to the conference program. During this time various companies can present their new scientific approaches and technical research methods using live models. This is an outstanding opportunity to explore new and interesting technologies to attendees. These corporate workshops will be presented as breakfast, lunch or dinner workshops with parallel workshops per time period on the conference dates.

Other benefits:

- Scope of increasing market opportunities
- Exposure of your corporate logo in our WCCBI-2020 website
- Advertising information of your company products through Cenetri International Journals
- Networking with World Class Experts from both Academia and Industries
- Share your excitement in promoting your company and ideas with Related Companies for Collaborations
- Conference brings together Scientific Researchers, Scientist, Professors, Engineer, and Health Specialists
- We are looking forward for your active participation and make this event a memorable one

We are looking forward for your active participation and make this event a memorable one

Best Regards,
